Further to the withdrawal of:

- **n. 4** applicants in the **second ranking**, pertaining to '*non-EU citizens living abroad*';

an equal number of seats is now available in the same ranking for the admission to our English-taught Degree Program in Medicine and Surgery (Academic Year 2017-2018).

For positions

of the
2nd Ranking

In order to apply, applicants are kindly asked to:

- perform the payment of the Pre-Enrollment Fee for this Program, amounting to **€4.000**, through an International Bank / Wire Transfer with the parameters indicated in the Competition Call;
- forward both the receipt of the payment and a scanned version of the "**Statement of Acceptance**" by e-mail to international.admissions-rm@unicatt.it.

It is mandatory to perform all of the above **no later than November 10 2017, by midnight (local Italian time)** for the procedure to be considered successful.

Please note: it is essential for all non-EU applicants to check beforehand if the Consulate / Embassy of Italy of their respective jurisdiction may still issue an Entry Visa and thus authorize the completion of any subsequent step of this process. This is a **crucial** aspect for all our non-EU students currently living abroad and we highly encourage them to verify that this procedure is viable before providing a confirmation of interest.

In all cases of not complying with the indications and deadlines outlined above, the involved applicant(s) will be considered as *withdrawn*. Afterwards, any remaining vacant seat will be made available for the following applicants in the same ranking, on the basis of the results of the Entrance Exam.
