

## **BILIO-PANCREATIC ENDOSCOPY** **ADVANCED TRAINING COURSE**

### **Scientific Program**

#### **DAY I**

08:50 Course opening

09:00 Lecture: Cannulation and sphincterotomy techniques

G. Costamagna

09:30 **Live video-demonstrations**

G. Costamagna / I. Boškoski / P. Familiari / V. Perri / A. Tringali

11:00 Coffee break

During the live video demonstrations the **following topics will be held:**

- Prevention of ERCP complications pancreatitis  
P. Familiari
- Treatment of “difficult” biliary stones  
A. Tringali / I. Boškoski

13:00 Lecture: ERCP in acute biliary pancreatitis

A. Zambelli

13:45 Lunch break

14:30 **Hands-on activity on biological models and mechanical ERCP-trainer**

16:30 Coffee break

16:45 Lecture: Bilio-pancreatic anatomy

A. Tringali / I. Boškoski

17:30 End of day I

UNIVERSITÀ  
CATTOLICA  
del Sacro Cuore

## DAY II

08:45 **Live video demonstrations**

G. Costamagna / I. Boškoski / P. Familiari / V. Perri / A. Tringali

11:00 Coffee break

During the live video demonstrations the **following topics will be held:**

- Treatment of benign and malignant biliary strictures  
I. Boškoski
- Pancreatic endoscopy  
A. Tringali

14:00 Lunch break

14:30 **Hands-on activity on biological models and mechanical ERCP-trainer**

16:50 Closing remarks

17:00 Course end
