Special announcement for applicants in the second ranking
(Non-EU citizens living abroad)

1

This announcement refers exclusively to applicants belonging to the waiting-list of our **second ranking**, which is reserved for **non-European** citizens **living abroad** at the time of submitting their application for our Medicine and Surgery Entrance Exam (A.Y. 2017/2018).

On account of the availability of vacant seats pertaining to this specific ranking, we are pre-emptively asking all applicants who attained a position **between n. 46 and n. 86**, who would be interested in applying for this admission opportunity, to send us a **non-binding statement indicating their willingness to enroll in our Program**.

This non-binding statement of willingness needs to be forwarded to the e-mail address of our International Admissions Office (international.admissions-rm@unicatt.it) **within and no later than December 11 2017**.

2

Afterwards, on the basis of:

- the positions individually achieved by the applicants in the ranking;
- the number of vacant seats that are still available for the enrollment in the 1st year of our English-taught Medicine and Surgery Program; **and**
- the individual non-binding statements received through this procedure up to **December 11 2017**

the first eligible student(s) will be contacted by e-mail and provided with the instructions to finalize their enrollment in the Program.

Any invitation to finalize the enrollment will be managed by **strictly following the order of the applicants** as it was originally defined by the score that each of our applicants achieved during the Entrance Exam.

Thank you for your attention!
